### 6th April, 1974.

It is with sincere sorrow and regret that it is necessary to record the death of Mr C.H. U'D Alexander, certainly one of England's really great players as well as a brilliant mathematician. In the Thirties he was a rising and leading player for Hampshire. He then moved to Cheltenham where he because Gloucestershire's leading player and for many years he was No 1 Correspondence Board for that county. He was also an excellent writer on Chess and sadly, he leaves a gap which England will find it difficult to fill. All will join me in extending England will find it difficult to fill. sympathy to those bereaved.

Congratulations to Mr R.O. Powis for he was invited and has accepted an invitation to join the B.C.F. Congress Control Team for Clacton this year.

Congratulations to Gloucestershire in again winning the West of England section of the Counties Championship by a clear three match points. Devonshire win the 2nd place in the B.C.F. Counties Championship on game points of  $43\frac{1}{2}$  to 42 plus one win claim from Hampshire, both counties scoring seven match points.

The West of England's Championship Congress at Torquay over the coming Easter holiday weekend should prove to be one of the finest Union Championships for many years and the Congress Committee are truly to be congratulated in getting together both an interesting and sharp contrast between age, experience, rising authority and young starters. The fortunes of S. Taulbut, P.J. Lee and G.E.J. Lambert when they face what must be the Cream of the Union, will be followed everywhere with absorbing interest. Those accepted for the Championship section are: -

J. Anderson, Weymouth & Dorset; Dr J.M. Aitken, Cheltenham and Glos; M.E. Binks, Downend & Fishponds & Glos; J.R. Boyce, Bristol & Clifton & Glos; L.P. Burnett, Weston & Somerset; P.H. Clarke, Holsworthy & Devon; H.E.G. Courtney, qualifying from last Year's Challengers; J.A. Flood, Torquay; A.S. Hollis; C.J. Hutchings, from 1973 Challengers; D.A. Le Moir, Patchway; G.E.J. Lambert & P.J. Lee, Portsmouth & Hants; R.H.K. Mann, Wareham & Dorset; P.J. Meade, Cheltenham & Glos; M.J. Staples, Bridgwater; S. Taulbut, Malmesbury & Wilts; A.R.B. Thomas, Tiverton & Somerset; G.W. Wheeler, Plymouth & Devon; and D.M. Wise, Downend & Fishponds. 1st Reserve is C. Cock.

W.E.C.U. Registrations for 1974 have topped the 1,300 mark - some 200 up on last year.

W.R. Hartston became the British Champion when he beat M.J. Basman in a play-off for the title at the Heathrow Hotel between Jan 28 and Feb 3rd.

B.C.F. OUTLOOK

League, County and Union Delegates to the B.C.F. Council Meeting on July 13th (Is that a fateful date?) will face up to and decide whether the Registration Fee for 1975 shall be 40p or 50p. Leagues, and Counties A.G.Ms must decide and instruct their delegates how to vote both at the Union and B.C.F. Council meetings and I DO APPEAL TO UNE AND ALL, please keep the B.C.F., its Unions and County Associations STRUNG by voting for the 50p figure and thus avioding that body using its small reserves to held to cover deficiencies in 1975.

I invite all to take a close look ahead, not next year, nor 5 years but 10 to 15 years and realise that, unless we keep our present day institutions strong, the ever growing octopus of Congress Chess will grow and swamp the chess we know today, making impossible for even local clubs to turn out representative sides for League Matches, County Matches and the like because their best players will be at some large-money congress.

Look and ask yourself what Chess authority today in England could successfully put on an important Chess occasion during the weekend of the next Evening Standard London Open with something approaching £1,500 in the balance for the winner when one includes the "Cutty Sark" prize. This position will grow and gradually swamp the whole playing season unless we keep our institutions strong and in final control. (You are warned. Weigh it yourself.)

Registration v. Levy or the Lancashire Scheme. The levy proposals to replace Registration are probably losing some of its first appeal. Virtually nobody likes Registration but it does work after a fashion. The Lancashire Scheme is virtually a two tear Registration with those participating in County, Union and BCF events paying something approaching £1.50 to £2 a year, whilst those who only play League or Club chess pay a nominal 20p. Whether a decision will come at the Council in July is problematical but important decisions are best taken time over.

One must expect the Chess Calendar to come under fire from the M.C.C.U. who wish to use the two free weekends during the playing season through 5 Saturdays in a month. Our present Calendar uses the first 4 Saturdays in each month only and so the normal 2 5th Saturdays are lost as they occur in different months from year to year. M.C.C.U. basically wish to stop counting Saturdays in a month and replace it by counting Saturdays in a Season, thereby getting two extra positive fixture dates. Whilst this is true, working out for the individual which is the, say, 17th Saturday is much more complicated than deciding which Saturday of the month a particular Saturday is. The choice will be yours to decide.

Une or two important decisions have been reached:-

(1) Sept 1st each year will remain as the operative date for Juniors for the time being.

(2) Minor Counties Championship Rule 7 (2). The second sentence of Rule 7(2) applies to (2) only, not, repeat not, to Rule 7 (1). (See Yearbook 72/3 page 117.)

(3) Registration Scheme Rules 11 (1) (a) and (d) remain unchanged.
(4) Playing dates for 1974 Counties Championship and Minor Counties events remain as published.

#### W.E.C.U. EXECUTIVE MEETING

The Match Captain, R.H. Newman, reported that the Senior and Limited Jamborees had been a huge success with over 100 players taking part simultaneously. He also gave a report on the position of The Hexagon and there was some disquiet that the Golden Coast Tournament next October appeared to clash with the date the Union wanted for the Senior and Limited Jamborees. Quite obviously such a clash of dates would be disasterous. However, an approach to the organisers has resulted in the Golden Coast Tournament being shifted from the scheduled 1st weekend in October to the 3rd weekend, whilst the Barnstaple Open with its 'Cutty Sark' DOUBLE count remaining at the 2nd weekend in October. Chess players I believe, must express thanks to the proprieters of Coombe's Hotel in agreeing

to arrange for the change of date which must have presented them with considerable staff problems and to the organisers once the difficulty was apparent. It is so nice to get co-operation and thank you.

Future meetings of the Executive would not be held on the same day as the Junior Jamboree as doing so ment the Junior Organiser was unable to attend the meeting.

CONGRATULATIONS

To Mr P.J. Ezra, B.C.F. Treasurer, who has been appointed the B.C.F. Congress Secretary in succession to Mr G.H. Simmons.

#### WESTWARD HO!

I regret to report considerable difficulties ahead for Westward Ho! on the costs side. Previously I was able to buy paper from between 74 and 80p a ream. My latest enquiry indicates £1.30 to £1.50 a ream, a huge increase with the cheaper paper, when obtainable, probably around £1.20 to £1.25. Ink is up 25p and one is now faced with even a second increase in postage rates since the rate of 50p a season for 4 issues was introduced. To continue as now and show a small profit for the Union must, must, mean something like 90p to £1, the latter an easy figure to handle and stable for a period.

For guidance at the Union Council meeting on this matter, some choices

open are:

(1) Issue only a Grading Issue with Grading figures, fixtures and the like at an appropriate cost when the paper used is known.

(2) Two issues at 50p, one grading and one about Easter, the latter limited to 2 ozs postage.

(3) Three issues at 75p per annum.

(4) Four issues as now at £1.

Your views I would welcome for it is you who have to pay, so that I can convey a composite view for the W.E.C.U. Council to consider. Thank you who choose to advise me, especially if before the end of May, please.

THE HEXAGON

Sadly as most people know, they have had their share of difficulties and the B.C.F. has decided not to recognise anybody using the name until both sides reach agreement, or perhaps one should say agreement among the 5 members of the original team. However I am pleased to say the two sides are now talking about ways of amicably getting out of the difficulties and I do most sincerely hope a solution acceptable to all will be found, although I realise it is not easy.

#### CORNWALL v SOMERSET.

I understand that this match in the Minor Counties Championship which was scheduled for 12th January, 1974, has been postponed until a date in April, too late to record the result in this issue.

The Dorset-Cornwall friendly match, scheduled for 23rd March, was not played on that date and may not take place this season.

Held at Taunton this year, once again there was a marvellous turnout and all the Junior Organisers of the participating Counties are truly to be congratulated in turning out such strong sides, some of which are even seen to be playing on the top boards for their county senior sides. Finally all must thank Mr D.C. Jarrett, the Union Junior Organiser, for his effort once again in staging this event. The West is truly lucky in having such an organising

Remarkable for two girls both Susan Turner - not a single draw - and only two games won with the Black pieces. Somerset lost being Equal 1st on Board Count and Hampshire got the wooden spoon similarly.

Gloucestershire once again regain the West Championship title and all will wish them well to further The West cause in the B.C.F. section of the Counties Championship as we also do to Devonshire, our second team to go forward. Whilst the Minor Counties matches are not yet complete, it must be Devon to go forward in that contest, carrying the West flag. Good luck.

#### COUNTY CHAMPIONSHIP TABLE

County GLOUCESTERSHIRE	P• 5	₩. 5	D.	L. -	For 57½	Agst 23 <u>1</u>	Points.
Devonshire	5	3	>1	. 1	43 <sup>1</sup> / <sub>2</sub>	36½	7
Hampshire	5	3	1	1 (±1)	) 42	37	7
Somerset	5	1		4 ( <u>+</u> 1)	) 33½	$45\frac{1}{2}$	2
Dorset	5	1	-	4	35	45	2
Wiltshire	4	-	_	4	18	38	0

(NOTE) These figures, worked out by myself, may be questionable but appear to place Dorset above Somerset. However I may be short of certain results.

Dewonshire have won the Minor Counties Championship with Gloucestershire second and Cornwall, with one Game still to play could finish third.

CORNWALL

The Cornish Weekend Congress was won by B.H. Turner by a superior

S.O.S. over P. Breach and H. Golding, all scoring 3 points. S.N. Gegg and M.

Grimmer are scheduled to play off for the Falmouth Cup but no result so far heard.

#### DEVON

The Paignton Congress in early September must surely make History in that it will be the first large Congress in England to be Controlled by a Lady, Mrs J. Parker, the Devon Hon. Secretary. Not only is this so but it is hoped that Mrs M.E.E. Clarke will assist her and we wish them the best of good fortunes.

In the Devon Knownout Tournament semi-finals, A.R.B. Thomas beat J. Walker and G.W. Wheeler beat R.M. Bruce. The final is as yet unfinished.

The new Chess Club at Tiverton is well off the ground with some 12 members. Players in this area should contact T.G.C. Ward, Tiverton 2353, for details.

Exeter lead in both the Bremridge and Mamhead Cup competitions, but have also played more games. A close finish is anticipated. Later Exeter win Bremridge.

#### DORSET

The leaders in the Dorset League are Weymouth and Plesseys, both clubs having played 10 matches, winning 8 and losing 2.

The lead in the 2nd Division is shared by Weymouth and Dorchester Clubs, who meet shortly in what will be a championship decider.

#### GLOUCESTERSHIRE

The new Nailsworth Club has got off to a flying start with some 33 members. The revival of this club is mainly due to the energetic Chess enthusiast, Mrs S.H. Jefferies, who is once again also Hon. Secretary of the Charfield Chess Club, where she also lead that club to a revival.

Cheltenham G.S. seem to have a firm grip on the North Gloucester League, D/2, having played 9, W7 D2 Pts 16 whilst Gloucester has P11, W6, D2 Pts14 and Stroud P11 W6 D1 Pts 13 have far less games in hand. No table to hand for Division 1.
