# WESTWARD HO!

The Official Bulletin  
OF THE  
WEST OF ENGLAND  
CHESS UNION

GRADING ISSUE

No 19

SEPT '81

Once again thanks to our Union Grading Officer and to all his County Graders the Grading Issue goes to print in August ready for publication on 1st September. They give their services freely and never let us down. Well done!

With the majority of the holidays behind us another full season of delightful congresses, County matches, league matches and club chess starts with the 7-day Paignton Congress commencing on Sunday, 6th September, 1981. To many this Congress is a reunion of players from all over the Country - old friendships renewed and new ones started. The delightful surroundings of this popular South Devon resort and the friendly atmosphere gives us all a welcome break from the gloom of recession and inflation that has hit us all so badly during the past year. Paignton Congress is also the forerunner of some of the finest congresses that are held in the Union. In October, at the Woolacombe Bay Hotel in North Devon the Hexagon stages 3 congresses in 10 days and shortly after, in November, the Torbay Congress at Torquay. Truly a magnificent start to the chess season!

CHESS BITS

The new address of the Secretary of the Portsmouth Chess Club is:-

Mr. S.F. Young, 15, Quintrell Ave., Porchester, Cosham, Hants.

The New Union Match Captain is Mr. R.J. Gregory - see "Match Captains - Please Read".

Grateful acknowledgements to News Flash, S. Counties Bulletin, North Devon Chess News, Bristol Chess Times, "Chess", B.B.C., Batsfords, Penguin and all those whose contributions have made the publication of this edition worthwhile.

You can win a year's free subscription to Westward Ho! - see competition rules in this edition.

Worthy winners of the Holsworthy Chess Club Ninth Open Speed Championships were M.J. Franklin and G.W. Lane with 8 points out of a possible 9. Well done!

It is understood that plans and plots to reorganise the Minor Counties Championship are still being hatched by THOSE WHO MUST BE OBEYED - watch this column for future developments (and fireworks).

\* \* \* \* \*

AN APOLOGY

It is regretted that owing to lack of space it is not always possible to publish down to Club Activity. The object of this Bulletin is to bring matters of County level and above to the readers. However, without the many informative letters from club secretaries it would be impossible to assess the general chess scene in the Country itself, so please do not stop feeding information and whenever space permits they will get their rightful place in print.

\* \* \* \* \*

ANOTHER APOLOGY!

Lack of space delays reviewing some excellent Penguin publications recently received. However, a comprehensive review will appear in the January edition in time to wet the appetites of those who have received book tokens for Xmas!

\* \* \* \* \*

CORRESPONDENCE

"The Editor.

Sir,

Has nobody anything to moan about? Is the complete lack of correspondence to the Editor brought about by your incompetence and inability to rouse the wrath of indignant readers or is it because you are suppressing the rights of the silent majority to express their indignant views?

Enough of this - in the next edition, I shall expect to see the publication of such views. As I was present at the Council Meeting in June when you were very rightly criticised for howlers and clangers that you had dropped, I cannot believe that you do not receive letters in writing expressing similar criticism.

Yours etc.,

R. H. Newman,  
President, West of England Chess Union"

(If that doesn't stir things up a bit, nothing will - Ed.)

A WESTWARD HO! SCOOP

by R. Newman.

For 18 years many people, myself included, have bought the Western Morning News simply and solely to enjoy the excellent chess column written by Ken Bloodworth. For the last two weeks, it has not appeared at all. Evidently, the Editor of the Western Morning News is unaware of the great interest taken by thousands of chess players in this column but it may become apparent by a small drop in circulation. (My copy will certainly be cancelled).

I am delighted, however, to announce that Ken has kindly agreed to write a regular feature for Westward Ho! It will be a new and more informative "Round the Counties" - a feature that has, on occasions, been difficult to compile owing to lack of real County information.

FREE SUBSCRIPTION TO WESTWARD HO!

A year's free subscription to Westward Ho! commencing with the Grading Issue 1982 will be given to all correct answers to the following :-

Forecast the following results for the coming season:-

Devon v Gloucester; Cornwall v Dorset; Somerset v Dorset; Hampshire v Devon; Cornwall v Somerset and Hampshire v Gloucester.

Send your forecast to the Editor, Westward Ho! giving 1 against the winner, 0 against the loser and  $\frac{1}{2}$  against each for a tie.

Simple isn't it?? - Oh, there is one other small thing. At the end of your match forecast you are required to forecast the name of the West of England Champion for 1982 (i.e. the winner of the Easter Congress!)

## JUNIOR AWARDS

The Brigadier Morris Cup for the best game played by a Junior in the West of England Championships held at Winchester and the West of England Junior Championships held at West Buckland School has now been adjudicated by Dr. Aitken. In addition, there was a prize to be awarded for the best game by a Junior at West Buckland School Congress.

Here are Dr. Aitken's findings :-

\* I award the prize to game G, won by N. Crickmore who will receive the prize. Black shows that he understands the positional points of the variation and his tactical implementation of his strategy is excellent. Other good efforts which came into the final running were H and I but neither seemed to me quite up to the standard of G.

There remains the question of comparing this game with the winner of the Best Game prize from the Easter Congress. I have looked up my notes on this game. I then awarded the prize to Wells for his win against Cock and I remember this game sufficiently well to make a comparison between it and the win by Crickmore. I have not the shadow of doubt that the Wells-Cock game is the better of the two; the Crickmore game is very nice but the win by Wells is altogether deeper and it was secured against a tough and experienced Congress competitor. So I have no doubt that the Cup should go to Wells and I judge so accordingly. "

Congratulations to P.K. Wells on winning the Cup and congratulations to N. Crickmore, a worthy runner-up for his winning the best game prize at West Buckland School.

W.E.C.U. HON. GRADER'S REPORT

In this Grading List we have continued our policy of not publishing the grades of unregistered players. The names of those affected by this ruling have been included in the list to indicate that their grades have been calculated and are available. The procedure to follow in order to obtain these grades and have them published is detailed in the Registration Officer's comments which follow this report.

The qualifying requirements for a B.C.F. Grade are:- a minimum of 30 games during the last two seasons' at least 10 of which must have been played during the last season. If at least 30 games have been played during the last season, then the results from the previous season are ignored when calculating the grade. In this list B.C.F. recognised grades are marked either with an\*, which indicates that the grade is based on one season's performance, or by a +, which indicates that the grade is based on two season's results.

Players who do not qualify for a B.C.F. grade can have a Union grade for which the qualification is:- a minimum of 18 games during the last two seasons, at least 8 of which must have been played during the last season. In addition to the above, our list also includes players who do not qualify for either a B.C.F. grade or Union grade but have sufficient results for a good estimate to be made as to their playing strength, such players are indicated by a negative sign after their grade.

In addition to the above symbols, certain letters may be show, these and their meanings are:-

J According to my records, the player is classed as a Junior for the coming season.

M There may be results included from the M.C.C.U.

N There may be results included from the N.C.C.U.

S There may be results included from the S.C.C.U.

U Unregistered player.

All results that have been supplied have been included in the calculations, these results start with the 1980 British Championships and end with the 1981 Bristol Manor Tyres Congress, in all some 55,000 individual results. The

continued .....

statistics of this year's grades are :-

	<u>BCF Grade</u>	<u>Union Grade</u>	<u>Estimated Grade</u>	<u>Total</u>	<u>% Registered</u>
Cornwall	76	20	28	124	92
Devon	169	60	65	294	91
Dorset	135	78	85	298	79
Glos. (North)	125	59	34	218	91
Glos. (South)	233	73	63	369	48
Hampshire	242	133	141	516	79
Somerset	130	67	43	240	79
Wiltshire	40	28	17	85	93
	<u>1150</u>	<u>518</u>	<u>476</u>	<u>2144</u>	<u>74</u>

In the cases of South Gloucestershire and Somerset, these figures cannot be directly compared with those in last year's grading list because players in some of the Bristol Area Clubs have been transferred between those Counties. In fact, it should be noted that, as there is no clear division in that area, the South Glos., Grader may still be grading players who register with Somerset.

I would like to close my report by thanking all our Regional Graders for their magnificent support. Apart from Don MacFarlane, who has moved into the Southern Counties, the same team will be continuing for next season. Co-operation with the other Unions is now very good and I would like to thank all Union Graders for their support. Finally, my thanks to Mr. A.J.L. Wade, our Registrations Officer, for the speed with which he completed his checking.

With all best wishes for an enjoyable season,

F. C. Kingdon,  
W.E.C.U. Grading Officer.

COMMENTS OF THE REGISTRATION OFFICER

A 'U' against a player's name indicates that, as at the 1st July, 1981, he or she was not currently registered according to my records and so no grade has been published. There may be some errors in those records. I have had to cope with badly written Registration forms, miss-spelt names and wrong initials. Where possible, I have made the necessary corrections, but, obviously, there may be many more regarding which I have no knowledge.

If you consider that an error has been made by a 'U' being placed against your name, take the following action. Approach the person responsible for your registration (Club Secretary etc.) and obtain his or her confirmation that, in fact, the registration fees were passed forward. Then, write to me stating the name and official position of the person concerned and the name(s) of your club(s). I will investigate and, when satisfied, will advise you of your grading and will arrange for it to be published in the next issue of 'Westward Ho!'

Should you, although unregistered, require your Grading you may obtain it by writing to me enclosing a cheque for £1.75 to cover late registration and administrative expenses. If Club Secretaries require the Gradings for several of

continued .....

their unregistered players, then please note that the charge is £1.75 per player concerned. Cheques should be made payable to :- West of England Chess Union.

A.J.L. Wade, "Linton", Kingsgate Close, Brunel Park, TORQUAY, TQ2 8QA.

NB: Please do not telephone. Gradings WILL NOT be given over the telephone.
