EDITORIAL.

SEPTEMBER 1978.

The famous Paignton Congress organised by the Devon County Chess Association heralds in another season of Chess, and this edition - an important one for all players in the West - is published to coincide with the opening of that Congress.

For many years the splendour of Oldway Mansion, the original family seat of the Singer Sewing Machine family, coupled with the friendly holiday atmosphere associated with this Congress has attracted thousands of chess players from all over the British Isles and even beyond these shores. Devon are to be congratulated on staging this grand congress and the Torbay authorities deserve the thanks of all for the amenities they offer the players. Hastings may provide the thunder, but Paignton certainly provides the sunshine - and Bill Frost, that most efficient congress secretary, belies his name by the warm welcome he gives to all contestants.

Finally, in editing and publishing Westward Ho! I have gradually got more and more disenchanted with the cover. With a new chess year starting I thought that it was time for change. It is my sincere wish that the newly designed and attractive cover will compensate for any dullness within.

RALPH NEWMAN.

REPORT ON THE JULY COUNCIL MEETING OF THE BCF.

On the retirement of Mr. C.E. Williams as president, Mr. W.A. Corden was unanimously elected. Mr. Corden has devoted much of his spare time to chess and in his previous capacity as Chairman of the Executive Committee has shown a firmness and dedication that makes him a very worthy successor to Mr. Williams. All will wish him well in his new appointment.

The most important part of the meeting was, of course, devoted to finance relating to grading and nothing really was resolved. It will now be up to the Management Board to sort something out. Unfortunately there still appears to be some confusion about the thoughts behind the original idea of withholding grades of unregistered players. Alternative schemes were put forward all based on the concept of payment for grading. That was NOT what the Development Committee had in mind. To clarify again the thoughts behind the relation of grading to finance a special article appears in this edition.

The accounts for the previous year were duly passed and approved and Peter Ezra, the treasurer, was thanked for the hard work he had put into looking after the financial affairs of the Federation - and well he deserves those thanks.

## CHESSBITS.

Have the BCF considered erecting anti-hypnotic screens around the contestants for the British Championships?

Good luck to Cornwall as newcomers in the Minor Counties Championships.

Please note September 30th is the last date for entries to be received for the Westward Ho! Correspondence Championship. Particulars are published in this edition.

Devon II have won the West of England section of the Minor Counties Championship ever since the W. of E. entered. It is time some other county did something about it.

The venue for the Union Jamboree and Graded Jamboree will be the Rougemont Hotel, Exeter, on Saturday 23rd September. Play to commence at 2.30 p.m. sharp. Grading limit for the Graded Jamboree is as published in the last edition. (No.6) and is 130 and below. the 1977 Grading List applies not this one. Juniors who have not reached their 18th birthday by the 1st September 1978 will be limited to 120 in the 1977 list.

### RULES FOR THE WESTWARD HO! CORRESPONDENCE CHESS CHAMPIONSHIP.

1. Entries must be made to Mr. A.R.B.Thomas, 43 Old Road, Tiverton, Devon, and be received by him on or before 30th September 1978.

2. Qualifications for Entry:--

- (a) Membership of a club or county affiliated to W.E.C.U. at the time of entry.
- (b) Either a 1978 grading of at least 160, or one of the first four players in his county correspondence team.
- (c) BCF Registration.

3. The number of competitors will be limited to 12. If the entry exceed 12, then the first 12 entries received will be the ones accepted.

4. The competitors will be divided into 2 sections, and will play simultaneously one game with each member of the section (i.e. not more than 5 games at once).

These games will be adjudicated (if unfinished) after 30 moves have been played, and the scores of the games must be received by the Controller, Mr. A.R.B.Thomas, not later than March 31st 1979.

Should any game not have reached 30 moves, that player will be adjudged the winner who has used least playing-time as defined by the BCF.

The winners of each section will then play a match of 2 games for the Championship. The games in this match will also be adjudicated (if unfinished) after 30 moves, and the positions must similarly be received by September 30th 1979.

5. In any adjudication the Controller's decision shall be final;

there shall be no appeal.

6. Should there be a tie for first place in the section, the winner shall be the one who had the least number of Whites. Should this fail to break the tie, the Controller shall break the tie by a toss.

7. The Entry Fee, which must be received with the Entry, shall be £1.00.

8. In all games, first class postage only must be used.

#### IMPORTANT ANNOUNCEMENT.

In previous years Chess Correspondents and column writers have re-printed in their columns parts of the Grading List and in certain cases quite a lot of it! This often has had an adverse effect on the sales of Westward Ho! The Editor does not wish to curtail the news efforts of these correspondents and column writers, but it would be greatly appreciated if complete county or league reprints were not made until a decent interval has elapsed from the date of publication. The Grading Issue will be on sale at the WECU Senior and Graded Jamboree on 23rd September at Exeter and it is at this meeting that most copies are sold.

#### NON-PUBLICATION OF GRADES FOR NON-REGISTERED PLAYERS.

BY RALPH NEWMAN.

This must be about the hundredth time that I have either spoken or written on this matter, and I do not expect it to be the last!

At the Council Meeting in July many delegates spoke in indignation about the unjustness and extra burden of making players pay for a grade. Oh dear! Never has it been in my mind (and as Chairman of the now extinct development committee I certainly ought to know) that players had got to pay for grading. What I said, and I'll say again, is that players who do not contribute to the finances of the BCF should not have a grade published. Why should they? The publishing of a grade is one of the benefits of being a registered player. There are other benefits - and nobody yet has said that unregistered players should enjoy these. The term "registered player" is perhaps a little misleading; "member" might be more appropriate. If we use that word then we can define the privileges of being a member, Inter alia they are:-

1. To be able to compete in any tournament, congress or event organised under the auspices of the BCF.
2. To benefit by the rules and guidelines made by the BCF.
3. To have a grade worked out AND PUBLISHED.
4. To enjoy all other privileges that require registration.

Now, why on earth should someone who is NOT a member enjoy free gratis one privilege of membership, and not the others?

As a member of the BCF I personally do not see why people who refuse to pay what in effect is a mere pittance should get free something that I pay for.

The Western Union, in withholding grades of non members, are merely protecting the privilege of membership. They are NOT asking members to pay extra for grading. They are already giving it to them. If a player requires to know his grade he can join as a member and not only will he get his grade published should have played sufficient games, but he will also qualify for all the other privileges - the grade is only one of them.

I know there are strong views on this non publication, and indeed if the BCF registration fee was £100 per annum, perhaps there would be a few who could not afford to register. But there are those who have <sup>spent</sup> approximately 5 years registration fees in one telephone call in telling me why they will not pay. Really!

At the Council Meeting of the BCF one delegste explained to the meeting that his county had decided that rather than pay for grading the county had decided to withhold the grade of unregistered player. In view of the fact that for three years I have been trying to get this done on a National basis, and that last year the West did that very thing I did not know whether to laugh or cry.

W.E.C.U. Hon. Grader's Report

In this Grading list we have for the second year continued our policy of not publishing the names of unregistered players. The names of those affected by this ruling have been included in the list, in order to show that their grades have been calculated and are available. The procedure to follow in order to obtain these grades and have them published is detailed in the Registration Officer's comments which follow this report.

The regional analysis is as follows :-

	1977			1978		
	Graded	Unregistered	% Registered	Graded	Unregistered	% Registered
Bristol League	382	215	44%	372	171	54%
Cornwall	97	0	100%	120	5	96%
Devonshire	284	26	91%	249	19	92%
Dorsetshire	246	41	83%	253	34	87%
Gloucestershire	185	36	81%	210	33	84%
Hampshire	396	178	55%	437	127	71%
Somersetshire	136	12	91%	165	15	91%
Wiltshire	122	20	84%	139	7	95%
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
	1848	528	71%	1945	411	79%

I would claim that the study of these figures justifies the stand we have taken in the WECU over the non-publication of unregistered players.

The qualifying requirements for a B.C.F. grade is: a minimum of 30 games during the last two seasons, at least 10 of which must have been played during the last season. Of the players in this list 947 qualify, the remainder have either, half the B.C.F. requirements, or have played at least 10 games during the last season.

Certain players in our list play in other Unions (apart from Congresses) these players are indicated by the appropriate Union letter, which means that their grades most probably contains results from more than one Union. If there is anyone who thinks he should have results from another Union and it is not indicated, would he please write to me giving details.

I would like to close my report by thanking all our area graders for their magnificent support, I am very pleased to say that the same team are in action for the coming season. The co-operation between the Unions is still very good, the only errors that may arise here are that we go to press before all the other Union's have finalised their figures. Finally, I would like to thank Mr. A.J.L. Wade our Registrations Officer, who has once again undertaken the task of checking Registrations.

With all best wishes for an enjoyable season,

F. C. Kingdon,

W.E.C.U. Grading Officer.

The explanation of the various indicators after the grade are as follows :-

- \* B.C.F. Recognised grade.
- J According to my records the player is classed as a Junior for the coming season.
- M These players may have results included from the M.C.C.U.
- N. " " " " " " " " N.C.C.U.
- S " " " " " " " " S.C.C.U.
- W " " " " " " " " Welsh C.U.
- U Unregistered player.

COMMENTS OF THE REGISTRATION OFFICER

A "U" against a player's name indicates that, as at the 1st July, 1978, he or she was not currently registered according to my records and so no grade has been published.

There may be some errors in those records. I have had to cope with badly written Registration forms, miss-spelt names and wrong initials. Where possible I have made the necessary corrections, but, obviously, there may be many more regarding which I have no knowledge.

If you consider that an error has been made by a "U" being placed against your name, take the following action. Approach the person responsible for your registration (Club Secretary etc.) and obtain his or her confirmation that, in fact, the registration fees were passed forward. Then write to me stating the name and official position of the person concerned and the name(s) of your club(s). I will investigate and when satisfied will advise you of your grading and will arrange for it to be published in the next issue of Westward Ho.

Should you, although unregistered, require your Grading, you may obtain it by writing to me enclosing a cheque for £1.25 to cover late registration and administrative expenses. If Club Secretaries require the Gradings for several of their unregistered players then please note the charge is £1.25 per player concerned. Cheques should be made payable to :- West of England Chess Union.

A.J.L. Wade, "Linton", Kingsgate Close, Brunel Park, TORQUAY TQ2 8QA.

N.B. Please do not telephone. Gradings WILL NOT be given over the phone.
