WESTWARD HO!

EDITORIAL

In the past few days, I have heard, second or possibly 3rd hand, that there have been unfavourable expressions passed at the subscription rates for Westward Ho this coming season, thus I offer a few words in explanation.

At the end of May, I was asked by phone if I would be willing to take on the duties Mr A.E. Barnes wished to relinquish as Publicity Officer and Editor of this publication, the phoner adding that he already knew I was doing the Southern Counties Chess Bulletin and the Hampshire one also. My reply was that, if Mr Barnes did not wish to continue, I would accept but I had no wish to displace Mr Barnes.

Not being a County Delegate to the W.E.C.U. Council at Taunton on June 3rd, I did not attend. Subsequently I heard I had been appointed W.E.C.U. Publicity Officer with the obligations that post entails.

Shortly after this, I learnt that the next W.E.C.U. Executive Meeting was scheduled for Sept 16th. If one waited till then for Executive instructions, the first Westward Ho would not appear till some October date. This I viewed late, especially for a Grading List issue. I was also gathering the impression that various people considered I knew what to do and should get on with it.

The result was that I circularised Officers and all counties Secretaries with my proposals in mid-July and I did not receive a single objection. Hence I have proceeded along those lines.

At modern day prices plus 3p postage and envelopes, etc, it should be obvious to all that one could not produce a Bulletin like this for something like 6 $\frac{1}{2}$ p. Hence to charge the old price of 10p means producing at a loss. That loss would have to be stood by W.E.C.U. and, before long, up will go the 5p Union Registration fee. Only a small proportion of the Union's registered members actually get the bulletin, thus it would be most unfair to saddle all with an increased cost so that the few could get a cheap bulletin.

On the other hand, if those getting the bulletin pay a fair price plus perhaps at the present time a little more to round up to a convenient sum, then these subscribers become supporters of the Union and Westward Ho - something to feel just a little contented about because it is a good cause.

I welcome all news you care to send me - whilst the locals may know in your immediate vicinity, the rest of the Union will enjoy the news. Without your help I cannot function properly.

With best wishes for an enjoyable season, the next Westward Ho will be posted on Dec 15th and, to save you postage, I suggest all MSS be sent between Dec 1st and 5th.

Dr J.M. Aitken, the Union's President for the past 3 years, retired at the June Council Meeting in accordance with the Union Rules and I am sure all will join me in an expression of appreciation and thanks for his leadership and guidance over that period - his name speaks for itself in its own worth - Thank you, Sir.

OUR PRESIDENT WRITES

I have been asked to write a few words for this issue of 'Westward Ho', which is, from the West of England Chess Union's point of view, a unique publication. Since its incorporation this Union has comprised the Counties of Cornwall, Devon, Dorset, Gloucestershire, Somerset and Wiltshire. From this season onwards we are joined by Hampshire and, on behalf of all the members of our Union, I should like to extend them a very warm welcome and to say how pleased we are to have them with us. This increase in our membership should add new zest to our competitions and congresses and should also strengthen our representation in B.C.F. matters. We are now pressing for this Union to be allotted two places in future British Championships.

We are already fortunate in our new membership. Hitherto the Union Publicity Officer and Editor of 'Westward Ho' was Mr A. E. Barnes, who unfortunately is no longer able to continue in Office. I would like to place on record our thanks to Mr Barnes for his excellent work in the past. His place has been taken by Mr G. W. Kilmister, M.B.E., of Christchurch, who already produces the Hampshire and S.C.C.U. Bulletins. I understand Mr Kilmister has already circularised all County Secretaries asking for contributions and I hope that the response will be worthy of his efforts on our behalf.

May I close by wishing you all a very good chess season and I hope to see many of you at our next Easter Congress to be held at Newquay.

A. W. Busby

President, West of England Chess Union

B.C.F. NEWS

Whilst the 1971 B.C.F. Council Meeting was simply bursting at its seams with ideas from all quarters of the country for replacing the Registration Scheme, the 1972 Council Meeting reached one of the soundest decisions possible when it was found that the existing Registration Scheme was the only one which commanded overall support and had, in fact, worked quite well during the past year when put on a better business footing.

In the past it has often appeared that those who did not register 'got away with it' and this was mainly true. However, now we have the case of a nameless county who obviously registered a low number being questioned on the matter. Whilst truthfully that county made out an excellent hard times reply which justly contained a lot of truth, the final outcome was that they did succeed in registering over double the number registered at first. Let us now sympathise with those who have found difficulty and go forward in the sure knowledge that the Registration Scheme does now work.

The B.C.F. have themselves introduced to the Registration Scheme this year SMALL BUT VERY IMPORTANT changes. The Registration Scheme 'chain' will now run as follows:-

(1) The B.C.F. Registration Officer will send quadruple sets of forms to Each County Association Secretary.

(2) The County Association Secretary issues a set of forms to each Club Secretary, whilst also starting a set for the County Association for players who belong to no club in the county.

(3) The Club Secretary fills in the forms with the names and addresses of those who register through the club. (Here it becomes essential for the first time that the Club Secretary's writing is clear and distinct with HIS ADDRESS given plain and clear) He then returns the forms to the County Secretary.

(4) The County Secretary sends all four forms on to the B.C.F. Registrations Secretary.

(5) The B.C.F. Registrations Secretary then sends back to EACH CLUB SECRETARY one form duly stamped and A REGISTRATION CARD FOR EACH MEMBER REGISTERED. (Without a clear club secretary's address, this becomes difficult and the club members are left without their card).

These cards, which should reach Club Secretaries from January, 1973, will be effective till the end of that year; clearly establish who is registered and it is hoped all clubs will recognise these cards thereby offering Registered players a sort of inter-affiliation ticket. In all cases, the appropriate money should be enclosed from (3) onwards. The B.C.F. Registration Fee is again 25p, the W.E.U. Fee 5p, plus your particular county fee which varies slightly from county to county.

CHANGED CONDITIONS

I believe I can say honestly without breaking any confidences that many people, in high and low places chess-wise, already recognise that Hampshire's joining the W.E.U. does go a considerable way into altering the balance between the Unions and strengthens the W.E.C.U. claim of two years ago to having two places open to them in the English Counties Championship final stages.

Further, with Hampshire's registration figures for last year added to the W.E.U. figure, W.E.U.'s figures come to within 60 of the next lowest Union. This is less than 6% down, not a high figure to make up, so please, Club Officials, lets have a go this coming season and see if we cannot actually get off the bottom. Undoubtedly where one can, the best way out of this is to automatically include the registration fee appropriate in the particular club's annual subscription, so that each player does not get called on to face up to extras.

This year again we have the publicity of the Fischer-Spaasky World Championship match - a factor which must help chess everywhere however one views the quality of the publicity. I have even heard it mooted that Bobby might visit this country after the dust has settled as a kind of 'Thank You' to the Slater effort. However that may be, could anyone afford a board in a siml against him?

One thing is certain, we all owe Mr Slater a debt of gratitude for achieving PLAY in this World Championship.

THE UNION GRADER'S REPORTWest of England Grading, 1972

The welcome inclusion of Hampshire within the West of England Union has increased the size of our Grading Issue this season. Another change is the issue of this list in alphabetical order.

As usual, those players whose performances are recognised by the B.C.F. are marked with an asterisk and those, who, according to my records, will be under 18 on 1st September, 1972, are marked with a letter 'J' after the 1972 Grade Figure.

This season sees the inclusion of four West of England players within the National List, namely Messrs P.H. Clarke, N.J. Holloway, S.J. Hutchings and P. Waters. Congratulations to them and best wishes for their continued success.

Finally I would like to thank all the area Graders for their support and help throughout the season. I am happy to announce that the same team will be in harness for next season. Their names and addresses are:-

ERRATA

Should any player think his or her grading is quoted wrongly, queries of this nature should be addressed to the Union Grader, whose address will be found on page 5, or to your County Grader in the first place if you prefer. Any Spelling errors should be addressed to your Editor and I shall hope to include a suitable correction in the Dec. 15th issue.

I must apologise for using in several places W.E.U. in several places for, of course, W.E.C.U. which I hope I shall get used to before long. Regretfully I see there is some GHOSTING on this typewriter, however I hope you will find your copy reasonably readable.

FRIENDS OF CHESS

THE ANNUAL GENERAL MEETING OF THIS MOST WORTHY BODY will be held during the Devon Chess Association's Congress at the Oldway Mansion, Paignton, at 11.45 on Friday, 8th September, 1972.

This Meeting is OPEN to the PUBLIC, although, naturally, only members will be entitled to vote. The object of this body is to raise funds for the betterment of Chess. Patrons membership is £25 per annum, Ordinary Members, £5 p.a.

In 1972 alone, this body donated £600 to the Norwich Junior event in April and £500 to the April Teeside International event - real help to the cause of advancing the nation's progress in the field of Chess.

GLORNEY CUP

This Junior International Team Tournament, normally in the past played between England, Scotland, Wales and Ireland, was increased in size this year to include France and Holland.

Played at Sidcup between 8th and 12th August, the England Team won with 22 points, 2nd Holland 19½, 3rd Scotland 16½, 4th France 15, 5th Ireland 11 and Wales scored 6 points. English Team scores, Bd 1. J.D.M. Nunn 2½/5; Bd 2 J.S. Speelman 3½/5; Bd 3 J. Mestel 4/5; J.P. Somerville 3½/4; P. Littlewood 4/4 and T.P. Chapman 2½/4. C. Cooley, the English Reserve, played in 3 matches and scored 2 wins and one loss. (With appreciative acknowledgments to C. Welch and the "Western Daily Press").

B.C.F. CONGRESS AT BRIGHTON

At the time of writing, 400 Chess players are locked in Battle at the Corn Exchange, Brighton, taking part in the 59th Annual Congress of the British Chess Federation under the Directorship of G.H. Simmons, B.C.F. General Secretary who retires at the end of September next. The British Champion, R.D. Keene, is defending his title and is opposed by several past Champions and two very strong Juniors, A.J. Mestel and J. Speelman. Mrs R.M. Bruce is again contesting the Ladies title and I am sure the whole W.E.C.U. wish her well; as we do also to P.H. Clarke and A.R.B. Thomas in the Men's section. I hope to add here a last minute report of the results.

FORTHCOMING CONGRESS, TOURNAMENTS, ETC:PAIGNTON CONGRESS

This Congress starts on Sept 3rd at Oldway Mansion, Paignton - a truly wonderful setting, but regretably far too close to our publishing date for entries to be made. The best a player can do is to go along early on Sept 3rd and advise the Controller (Name not known), or the Secretary, W.A. Frost, that he/she would like to play if a place can be found either to complete a section, or to take the place of a late defaulter. I am quite sure Chess players in general will learn much by spending a day there and seeing all the various sides of Chess a Congress has to offer.

Do not miss Britain's finest weekend tournament (P.H. Clarke).

Your Editor observes that, with so many good grading prizes, and, apparently, most people's grades being down on the New List, one should fancy one's chances.
