EDITORIAL

As most of you are aware, Mr. G.W. Kilmister, M.B.E. has retired as Editor of Westward Ho.

Im taking over as Editor, I do so with a certain amount of trepidation as my predecessor has set such a high standard during the past few years, and without the support of the West of England chess playing public, my task will be truly a formidable one. I do, therefore, sincerely trust that all counties and all clubs in the Union will send me information for publication.

This issue is a particularly important one as it embraces not only the Grading List for 1975/76, but a list of all names and addresses of officials for the forthcoming season and a comprehensive fixture list.

For those who do not know me, I am a very poor Chess Player, but have always been interested in the Administration side of Chess. I have been County Secretary and Junior Chess Secretary for Cornwall; Junior Chess Secretary for the W.E.C.U.; Junior Training Officer of the B.C.F. Junior Committee and have been W.E.C.U. Secretary for the last four years. I volunteered to become Editor of Westward Ho at the last W.E.C.U. Council meeting, when Arthur Busby agreed to arrange for the stenciling to be done and Ralph Newman would do the duplicating and posting. By Editor, I meant that I would put together articles, news, letters etc. I would welcome (or rather it is essential) any articles, letters and news of West of England Chess to be sent to me. Of course I cannot guarantee to publish all material sent, but will do my best.

DEREK. M. BOND
9, Harefield, CAMBORNE.

SUBSCRIPTION RATES. Annual Subscription (Single Copy of each issue Post Free)

£1.25. Single copies of the September (Grading List) Issue 50p. Enquiries for the Annual or only Grading Issue should be addressed to G.W. Kilmister, M.B.E., 102, Riverway, Christchurch, Dorset, BH232QT who has kindly offered to produce, print and post the Grading Issue for which I am very thankful. All future Issues will be posted by Ralph Newman, Rock Lodge, Lynton, Devon to which enquiries should be sent from November 1st. All cheques and Post Orders to be made payable to the West of England Chess Union.

WESTWARD HO It is our intention to Publish for issue this year, the Grading Issue, December, late February and April/May. I am sending each club in the W.E.C.U., through their County Secretaries a free copy of this issue (excluding the Grading Figures) and I do hope that members or clubs will order future copies from Ralph Newman.

JUNIOR CHESS NEWS The Sunday Times School Competition has again shown the strength of the young players in the Union with the West supplying two out of the four finalists in London. Considering the original entry is well above 800 and include schools from all over England and Scotland, this is a very meritable performance. Unfortunately at the final, Southern Grammer School, Portsmouth had to play without P.J. Lee who was playing in an International event in Switzerland, and so failed to retain the trophy which they won last year. In fact they had to play off with the other West representative, Bristol Grammer School for third place which they secured by winning 4-2. This also decided the A.E. Giles Memorial Trophy as this is awarded to the West team which progresses the furthest in the Sunday Times Competition. Sir P.S. Milner-Barry also presented to Southern Grammer School a B.C.F. School Shield which had been awarded to them in recognition of the outstanding contribution to chess in the past few years. The Union is allowed to nominate one school each year for a Shield, so if you know of a school which you think is entitled to have their name put forward, please let the Junior Secretary know in time for the March Executive meeting.

Individually we have had Messers Lambert and Lee (Hampshire) playing for the English Junior Team in the Glorney Cup last year and Shawn Taulbut (Wiltshire) this year. Both Jane Seymour (Hampshire) and Jane Anson (Devon) played for the English Girl team in the Faber Cup Competition.

Jane F. Seymour, (Hampshire) who won the Junior British Championship at the B.C.F. Congress this year, is 13 years old, a pupil at the Northern Grammer School, is already the Hampshire under 16 open champion, Hampshire under 18 champion and Portsmouth under 14 champion. She has also won this year the London Girls under 14 championship. The S.C.C.U. under 14 championship, but cannot hold these last two titles because of lack of Residential qualification. Quite a Girl Hampshire have. D.C.J.

UNION FINANCES The treasurer at the Council Meeting reported a loss of £83 over the years workings. This was due to a £61 loss on the Congress. (A sharp rise in Printing, Postage, Stationery and also we had to pay for the Hall which had been free in previous seasons). The Congress loss will be partly offset by a donation ex catering profits. An additional training grant was given to Juniors of £25 and there had been an increase in the cost of Delegate travelling. The Council agreed to increase the Counties contribution to the cost of the Delegate Travelling, and to ensure that the Congress was self supporting. J.E.G.G.

Match Captains Report For many years our overworked Secretary has amongst his other duties organised and compiled fixtures, reports and results for the West of England English Counties and Minor Counties Championships and now he has the added burden and responsibility of Editor of Westward Ho. All matters relating to matches will be dealt with by me.

A letter has been circulated to all County Match Captains to this effect.

If this issue is published in time, I would request that all Counties or sub-divisions of Counties submit their team entries for the Jamboree and Graded Jamboree to be held on 4th October at Exeter University by 15th September. The Grading limit for the Graded Jamboree is 125. R.H.N.

REGISTRATION AND FINANCE.

Since the last issue of Westward Ho the West of England delegates to the various committee's of the British Chess Federation have made good progress in getting approval for recommendations made by the Union to further the interest in chess to the benefit of all clubs in the Union

The hybrid registration scheme was compiled by R.H. Newman, D.W. Anderton (B.C.F. Vice President) after many months research into various statistics and has literally meant that the contribution to the B.C.F. funds of 50p is maintained. One of the important things that we must all bear in mind, is that under this scheme every County now has to make its just contribution to the B.C.F. Budget.

The new scheme for next season revolved around a hybrid number computed for each county. Each county will pay to the B.C.F. £25 times its hybrid number. The numbers given to the West of England counties are:

Cornwall 2, Devon 6, Dorset 4, Gloucestershire 5, Hampshire 6,
Somerset 4 and Wiltshire 2.

The B.C.F. have agreed that the West of England chess Union shall be responsible for collecting the registration fees direct from its constituent counties and will account in one figure of their total commitment i.e.
£25 x 29 = £725.

In future each club will send its registration form in duplicate to the appropriate County official together with a cheque for the County affiliation Fee (7p per player) and a provisional figure of 50p towards the B.C.F. Levy.

The county will forward to the West of England Registration officer any copy of the registration form and the West of England affiliation fees, on or about 20th December. The county will send to the West of England Registration officer the amount due for their B.C.F. Levy (after deducting 50p for any player directly affiliated to the B.C.F.) On the 31st December the West of England Registration Officer will forward the Union Levy to the B.C.F.

In the West of England the only county that might have difficulty in raising its B.C.F. Quota is Gloucestershire, but as the West of England will account direct to B.C.F. for all its counties levies in one global figure, the special problems at that county can be dealt with a Union level.

Counties not paying their levy to the B.C.F. will be debarred from competing in the English counties, minor counties and other B.C.F. events.

Clubs not registering their players will have to pay quadrupled entry fees for the National Club Championship.

Individual members of such clubs will only be able to enter B.C.F. organised events by direct affiliation to the B.C.F. (far more expensive than registering) or by paying quadrupled entry fees.

Any congress within the Union who insists on 100% registration, will be able to obtain a B.C.F. adjudication on giving suitable notice to him. No charge will be made by the B.C.F. for this service.

N.D.C.L. SPRING CONGRESS.

The Congress was officially opened at 6.30 p.m. on Friday 25th. April in the spacious ballroom of the Barnstaple Motel, Braunton Road, Barnstaple, by the President of the Devon County Chess Association, Mr. A.R.B. Thomas, and play began at 7 p.m. under excellent conditions.

It had been hoped to make good use of the extra playing accomodation made available this year, but the entry was disappointing - particularly the entry from North Devon, which was, in fact, only a handful - being the same as last year. No doubt when the League Council meet on 13th. May they will be trying to find out why this Congress, specially run for the League, was so poorly supported by it, although this in no way detracted from the enjoyment of the weekend by those taking part.

NORTH DEVON continued

The Tav Tournament had three winners sharing the £150 prize money. Dave Evans (Barnstaple), J. Hearn (Bridgwater) and T.J. Murch (Newton Abbot) scored 4 points each, and the Trophy was presented to Trevor Murch having the highest sum of opponents scores.

The Torridge Tournament was won outright by Kenneth Payne, (Bridgwater) who scored $4\frac{1}{2}/5$ and collected the £75 prize money and the Trophy. Equal second came Kevin Venney (Ilfracombe), Keith Jones (Holsworthy), Andrew Tyrrell and Malcolm Turner from Torquay, and F.A. Jordan (Wadebridge) who shared £75.

The Partner prize went to J. Dentith (Totnes) and J. Hearn (Bridgwater); the Over 60 prize of £10 was shared by W.G. Oliver (Cheltenham) and S.P. Lucas (Cornwall) and 14 year old Martin Buckmaster (Southampton) won the £10 Junior Prize.

This year prizes of £10 were offered from the Best Games from Round 1 and 2. The two games entered by Dave Evans were judged to be the best, but as he was in the place prize list the next best games were chosen and the winners were J.B. Norden (Somerset) and J. Dentith (Totnes).

Prizes were presented at the closing ceremony on Sunday by Mrs. R.M. Bruce of Plymouth. Peter Waters was especially thanked for his work of adjudication during the Congress and for giving a simultaneous display during Saturday evening when he took on 20 opponents, beating 15 of them, drawing with four and losing to one.

A well attended Council Meeting of the League, held at the Barnstaple Motel on 13th. May, heard the President congratulate the Competitions Secretary and the Teams on a well run competition. All matches played, hardly a board default, no team defaults and only 7 games for adjudication. A very satisfactory position.

Our thoughts now turn to next season and whether to make the same rules apply or whether to alter them as regards grading of players. At present we allow the player on top board to be 135 and others 120 and under. All gradings in the West of England will be going up somewhat on the next Grading List as a computer study showed them to be below those of the rest of the country and this is being adjusted. So it might seem reasonable to raise the 120 limit to 125. It was suggested at the Council meeting that in view of the declared aim of the League - to encourage lower graded players- the grading limit of the whole team should be 125 and under with no concession to the top board and this had a majority of 8 - 5 when put to the vote. However, it will be finally decided at the Annual General Meeting of the League, which will be on Wednesday, 24th. September, 1975 at the Barnstaple Motel.

Joan Parker.

DORSET LEAGUE:

Parkstone Club was both 1st. and 2nd Division of the Dorset League in the Individual Championship. winner: J. Anderson (Weymouth)
runner up: M.J. Roth (Parkstone Club)
Junior Champion: Miles Cowling (Kinson Club).

Dorset won the 1st. Division in the Junior Correspondence Championship with $8\frac{1}{2}$ out of 12 points. (Somerset were 2nd. and Hampshire 4th.)

GLOUCESTERSHIRE.

1. A special General meeting is being held at the beginning of September to discuss the method by which the County will raise its revenue bearing in mind the recent decision by the B.C.F. to adopt the Hybred Levy Registration Scheme.
2. The Team Championship final will be contested by Downend and Fishponds (holders) and Stroud.
3. Gloucestershire Junior Team Champions are Bristol Grammer School who defeated Cheltenham in the final.
4. The Individual Under 18 Championship has been won by Simon Finn of Whitefriars after beating Hugh Ellison of Bristol Grammer School while the under 15 event produced a marathon effort between Alex Bourke of Bristol Grammer School and Michael Powis of Stroud. The latter won in the end thus proving to his dad that he is quite capable of winning

Gloucestershire title as well.

5. Five members of Downend and Fishponds Chess Club have been playing international chess of an unusual kind. Learning that the S.S. Kratinga (a U.S.S.R. ship from Klaipada, a Russian port on the Baltic near Leningrad) was unloading at Portishead Docks, they ascertained that some members of the crew would welcome a game of chess.

Accordingly D.E. March, P. Millener, M.J. Passmore, I.R. Pickup and M.J. Wood arranged exchange visits. The first encounter, played on the ship, resulted in a draw, both sides scoring $2\frac{1}{2}$ points.

On a subsequent evening the Russians were entertained at Downend as a result of which another draw was recorded.

6. Twelve-year-old Gareth Anthony (Sir Thomas Rich's School, Gloucester) has earned high praise for his performance in a training tournament for promising junior chess players held in London.

Garath scored five points out of a possible seven, winning three games and drawing the other four. One of the draws was with D. King (London) who is considered by Leonard Barden, a former British chess champion, to be among the best ten for his age-group in the world.

Barden considers that Garath is a possible English Junior international in a few years time.

Bristol and Clifton Chess Club.

The club championship has been won by 19 year old David Osborne with $9\frac{1}{2}$ points. Last year he came third at his first attempt. This clever young player is a valuable asset to the club and Gloucestershire J.R. Boyce was second with 7 points and R.A. Bowell third with $6\frac{1}{2}$. The Steadman Cup was won by Robin Mills. He scored $8\frac{1}{2}$ points and was followed by R. Lavington with 6 points and Dr. A Devonshire $5\frac{1}{2}$. Lawson Cup (Section 1) 1st. David Roberts $4\frac{1}{2}$, 2nd. H.W.M. Copeman 4; 3rd. Mrs. I.M. McKeag 3. (Section 2) 1st. J. Horrocks 5; 2nd. P. Pierstorff 4; 3rd. Dr. G. Gedye $2\frac{1}{2}$. Roberts and Horrocks play off for the cup.

Dr. J.M. Aitken has won the North Gloucestershire Individual Championship. He won the first game in his play-off match against R.O. Powis (Stroud) and the second game was a draw. New Chess Club.

A chess club has been formed by the employees of the Glacier Metal Company Winterhay Lane, Ilminster, but membership is not restricted to employees only. The club meets on Thursday evenings at The George Hotel, Chard and has permission to use the firm's premises if occasion requires. The secretary is B. Lemon, 45 Henson Park, Chard and the club hopes to play in the Somerset League in due course.

WILTSHIRE.

W. Lowe (Corsham) one of Wiltshire's strongest players played ten members of the Milfield School chess team simultaneously recently, scoring 8 - 2 in a display lasting about three hours.

I am afraid that there has been no news from Wiltshire at all. Perhaps Club Secretaries could put this right. (Late news items page 14.)

BOOK REVIEW.

"Chess Techniques" by A.R.B. Thomas (Published by Routledge & Kegan Paul at £3 - 60 in Cloth hardback edition and £1 - 60 in paperback). The book assumes only a basic knowledge of the game and as every technique starts from a diagram most of the lessons can be studied without the assistance of either board or man. It is easy to fail at chess through not knowing the many techniques that just have to be learned and this book provides a crystal clear and pleasant method of acquiring or checking one's own. Mr. Thomas uses some examples of lessons he himself learned the hard way and over 300 diagrams are divided into four main chapters, General, Attacking, Positional and End Game Technique respectively. Players just out of the novice stage right up to the higher county standard are all likely to find this book valuable and certainly it should be in every school where the game is played.

SALISBURY

W.L. White is this year's Champion of the Salisbury Area, beating D.J. Hale by ½ point in a 14 all-play-all tournament

Mr White, on his way to winning his title, beat both his wife-to-be and the best man designate!

JUNIOR TRAINING REPORT From L.W. Barden, via David Jarrett, WECU Junior Secretary.

Throughout the latter part of July, Junior International Squad Training Tournaments were held in London by the London Chess Club. Many West Juniors took part and their results were as follows:-

Under 16. (49 entries) West scores T. Headlong, Somerset 2/5. A.G. Ruxton, Gloucestershire 1½/5.

Under 14. (68 entries) West Scores. B.P.Q. Collinson, Devon 3½/6. J.C. Bacon, Devon, 2½/6. N. Miller, Somerset 2/-. M.A. Hick, Somerset, 1½.

Under 12. (68 Entries) West Scores. G. Anthony, Glos, 5/7. D.C. Spurgeon, Hants, 4½/7. R.A. Cotton, Devon 2/7. M. Pike, Devon 1/7. P.M. Spurgeon, Hants, 1/7.

GIRLS Under 14. (17 Entries) Carey Groves, Hants, 3/4.

Under 12. (22 Entries) Carey Groves, Hants 4/5. Alison Smith, Hants 2½/5. Julia Scotney, Hants, 2/5. Alison Lawson, Devon, 1/5.

Generous prizes by the Slater Foundation, Centymca Chess Club, Batsford, the Chess Player and the S.C.C.U. were awarded in all grades (eg., the top 29 finishers in the Boys Under 12 event all received a prize).

Leonard Barden reports that Carey Groves and Gareth Anthony both deserve special mention. Gareth, in his opinion, could be the best junior prospect from The West for many years. Both finished equal seconds in their tournaments.

At the start of this issue, Mr Bond expresses fears in taking over the Editorship from me, the producer of this issue. On reading Mr Bond's effort, I have no hesitation in acknowledging his effort far exceeds anything I could have achieved both in coverage of news and clarity of expression - nothing is missed this time and it gives all readers a much clearer view of all that your County Associations and YOUR UNION do to make possible the kind of chess you individually want. This also applies to LEAGUE readers who mainly only want local chess. Your rules, fixtures, organisation to say nothing of Grading Lists and the training of young players to give you ever better standards, are all the results of past years of work and you can only be really happy in your chess if you consciously know you individually are doing your bit to help chess development on still further for, believe me, national benefit today is your local League's benefit tomorrow. Mr Busby in typing each issue has a trying job to be accurate and all should appreciate his efforts. Mr Ralph Newman has taken over the task of collating thousands of sheets of paper, addressing again and again set lists of envelopes, folding, stamping and posting. He is a brave man and please, all who can, support your team with both news and orders for copies. Kilmister.

W.E.C.U. HON. GRADER'S REPORT.

I am pleased to issue the following Grading List, which once again sets a new record for the West of England in the number of players included. The Juniors for the coming season are classified with a J and the asterisk signifies that the grade qualifies for B.C.F. recognition.

The B.C.F. requirement is, that the grade is based on a minimum of 30 games within the last two seasons, and that at least ten are from the last season. Approximately half the names in the list so qualify. Those names without an asterisk have met the West of England standard which is similar to the B.C.F. requirement but only half the number of games are necessary. Alternatively the West of England standard can be met with ten games in the last season.

The grading lists now have the added importance in helping to assess the chess activity within the Union. The analysis that has been carried out for this purpose is of interest and I summarise it below:-

	Total Graded 1975.	Total Graded 1975.	Total, 5 or more Games.
Bristol League (Avon)	368.	373.	496.
Cornwall	77.	78.	89.
Devonshire	224.	258.	334.
Dorset	201.	261.	374.
Hampshire	439.	406.	608.
North Gloucestershire	138.	151.	201.
Somerset	132.	128.	245.
Wiltshire	99.	110.	139.
Totals:-	<u>1,678.</u>	<u>1,765.</u>	<u>2,486.</u>

The increase in the numbers graded is a tribute to the hard work of all our area graders, but I do consider that having over 700 players who have more than five games but insufficient to qualify for publication is too high a proportion, and I urge these players particularly to encourage the return of club and league results to their area grading officers, and so ensure their inclusion in the future.

I would like to close by adding my own tribute to the area graders for the efficient way they have sent in their results. I am pleased to report that the same team will be in operation for the coming season.

Their names and addresses are:-

<u>Bristol League (Avon).</u>	C. Welch, 36 Queens Road, St George, Bristol. BS5 8HU. (Phone Bristol 557004)
