The adjudicated results of the 5 unfinished games in the Berkshire Match (18th November) were as follows:-

<u>TOTAL AMBOYNA SHIELD MATCH</u>		<u>21</u>		<u>27</u>

Not a bad effort against a Metropolitan County but a pity that it was marred by those defaults.

Incidentally, I have assumed that those two double defaults will be scored as 0 - 0. If the S.C.C.U. record them as $\frac{1}{2}$ - $\frac{1}{2}$ (to make the total up to 50), then the final score will be 22 - 28.

Finally, we met Sussex at Bognor on Saturday, 13th January. This venue is inconvenient for some (particularly, the Bournemouth players) and may prove rather expensive in that it is doubtful if the cost of Coach hire will be covered by fares collected. Nevertheless, one must admit that they laid things on very well - plenty of room, clocks on every table, adequate tea arrangements, ample car parking facilities, etc.

A lot of us will be looking forward to returning to the Rex Ballroom at Easter for the Congress.

However, to return to the actual match, the results are still in doubt at the time of writing. If the adjudications come through before the finalisation of this bulletin, I will add them in the form of a 'stop press'. Meanwhile, the scores that are available are set out below:-

Finance

I am pleased to report that thanks to the usual and very generous donation from our President, Mr. J. Spedan-Lewis, the Association is now in funds, and I hope to have just a little left at the end of the season. It will be an interesting Balance Sheet next time and I promise you a very informative Treasurer's Report.

Names of those who have become Vice Presidents since my last Bulletin are:-

M.G. Ford and G.H. Sydes.

Registrations

Last time, I reported that the membership of the Hants Chess Association was 188. I am delighted to announce that this figure has now crept up to 204.

Basingstoke has affiliated (with 6 adult members) and I am putting in a Supplementary List of Private Members totalling 16.

This is all excellent stuff, but I am becoming increasingly of the opinion that next year the drive should be for EVERY CHESS CLUB IN HAMPSHIRE TO AFFILIATE. Just think of the advertising value alone in the B.C.F. Year Book!

B.C.F. YEAR BOOKS

This is something that every self respecting Chess player should have on his bookshelf.

Our Secretary cautiously ordered 6, which have sold like hot cakes. Next year, I see no reason why we should not sell 50 and I shall be asking later on through this medium for people to place their orders through me in advance.

For this year, and as our meagre stock has been sold out, you should apply direct to the Editors:- A.E. Biles, 86 Bispham Rd., Blackpool.

The price is 5/-, but send P.O. for 5/6 to cover postage.

/CONTD....

Incidentally and whilst on the subject of registration, I intend making February 17th (the date of the last County Match) the deadline for 1961/62 Registrations. Any person sending in Private Membership or Vice-Presidency subscriptions after that date will be considered to have paid in advance for season 1962/63.

This same rule will apply to any Supplementary Lists of Club players submitted by Affiliated Clubs.

County Individual

Third round results in the Hants. Individual Championship were: Pratten 1, Thompson 0; Edmond 1, Mansfield 0; Yeeles 0, Marshall 1; Harding 0, Paige 1; Bevis 1, Henshaw 0; Dymond 0 (def.), Russell 1; Jones 1, West 0; Kirkham $\frac{1}{2}$, Wells $\frac{1}{2}$; Groves 1, Knott 0, White 0 (def.), Vine 1; De Buriatte 1, Hollington 0; the game Ewans v. Hocking stands adjourned.

Pairings for round 4 (with scores to date in brackets) are Edmonds (3) v. Pratten (3), Paige ($2\frac{1}{2}$) v. De Buriatte (2), Hocking () v. Marshall ($2\frac{1}{2}$), Bevis (2) v. Ewans (), Russell (2) v. Jones (3), Vine ($1\frac{1}{2}$) v. Yeeles ($1\frac{1}{2}$), Wells ($1\frac{1}{2}$) v. Groves ($1\frac{1}{2}$), Henshaw (1) v. Valler (1), West (1) v. Kirkham ($1\frac{1}{2}$), Mansfield (2) v. Harding ($1\frac{1}{2}$), Dymond (1) v. Collins (1), Hollington ($\frac{1}{2}$) v. La Lond (1), Burkert (0) v. White ($\frac{1}{2}$), Moir (0) has a bye.

There have been two withdrawals - M. Thompson on account of illhealth and G. Knott because he found the travelling rather too much.

Incidentally, Mr. A. White of Bournemouth, who previously withdrew, has sportingly donated the sum of £1. as a prize for the best game in this year's Individual Championship Tournament. Anyone who fancies his chances is invited to send his score sheet to the Individual Conductor (Mr. K. Robinson). The final selection of the best game will probably be made by Messrs. Pratten and Vine.

Hampshire Chess Personalities

NO: 3 L.E. VINE

Leslie Vine, our County Match Captain, typifies the 'Academic' type. Learnt Chess in Bridgewater when a boy and played many games with his Mother (herself no mean player).

Joined Bridgewater Chess Club and was soon Champion. Played regularly for Somerset.

After World War I, moved to Hampshire (lucky for us). Became President of Southampton University Chess Club.

Has been playing County Correspondence Chess for a good many years (Somerset and Hampshire) and can recall losing only one game!

Twice Hants. Individual Champion. Seems to like Congresses (and has done pretty well at Hastings and West of England).

Present Grading 5b.

County Correspondence Chess

There were no last minute substitutions and the teams are as published. Two results so far:-

Div. 1. Bd. 20 H. Pollard lost to A.E. Bower (Essex)

('clerical error' lost him a Knight on move 6 and he quite rightly resigned).

Div. 2 Bd. 22 M.G. Leggett beat D.S. Holding (Cornwall)
