INTER-LEAGUE MATCHES

In my last bulletin, I gave bare details of the total scores in this season's matches in these keenly contested annual fixtures. So much interest is shown in this rivalry between the two leagues, however, I thought it worth while setting out the scores in full

KNOW YOUR COMMITTEE (No. 3)

A.C. BARTON born 31st. May 1919 in Sheffield. Employed by Southampton Builders Ltd. as Accountant. Member of Southampton Chess Club since 1938. Function of Match Secretary for County involves all arrangements for Matches up to time Match starts, when Match Captain takes over. (Match Captain also picks team).

Played for Leicestershire during last war and represented army against navy. Has chalked up draws against Mieses, Woods, Konig and Atkins in Simultaneous exhibitions. Currently graded 6 b, which makes him the strongest player on the Committee.

SOUTHAMPTON SCHOOL'S LEAGUE

Although nothing to do with the County, I do not think we should let an event involving a gigantic feat of organisation and taking place within our borders pass unnoticed.

The Annual Lightning tournament organised by the above this year attracted 245 children, who were arranged in 49 teams of 5 players each.

Each player played 5 games and there were in all 9 Divisions!

VICE-PRESIDENTS

Further subscription for 1963/64 received from S.H.C. Lucas. Apology needed here - it should have been acknowledged in previous bulletin.
