BULLETIN NO. 5 of 1963/64

19th. February, 1964

COUNTY MATCH RESULTS

a) Hants v Berks (7th December)

Adjudicated results:-

| | | | | |
|-------|---------------|---------------|-------------|---------------|
| Bd. 5 | P.J. Patience | $\frac{1}{2}$ | E. Du Puget | $\frac{1}{2}$ |
| Bd. 6 | P.M. Collins | $\frac{1}{2}$ | L. Perry | $\frac{1}{2}$ |

Final Score: Hants 10 - Berks 10

The result on board 5 was given as a loss for Hants by the Adjudicator, and the half point is the outcome of a successful appeal.

I hear that the Berks Match Captain sent a letter of appreciation of the facilities laid on for this match - A nice thought on his part and a pleasing thing for us.

b) Hants v Kent (11th January) played at John Lewis's

We did surprisingly well here on the top 20, considering we were without the services of several of our stronger players.

Incidentally, several Club Secretaries sent me one copy of the Registration Forms only. One could almost hear them muttering angrily to themselves "load of bureaucratic nonsense - imposition on the overworked Hon. Sec - let 'em have one copy and lump it"

When this happens, I am faced with the following dilemma.

- a) Send it back to the Secretary and invoke his added wrath.
- b) Make 3 photostat copies at a cost to the Association of about 8d. a copy.

Will those concerned please resolve to do better next year?

One more point - several Clubs put in their Registration Forms after 31st. December. Apart from the fact that they are supposed to be in during the first week in November, I should have thought that Club Secretaries would have wanted the names of their players to be available to our Match Captain as early in the season as possible.

KNOW YOUR COMMITTEE (No. 4)

- W.J. Eaton born 8.4.1925 in Birmingham but with strong Somerset connections. Left Navy in 1952 to join staff of the R.N. Physiological Laboratory (Royal Naval Scientific Service). Founder member of R.N.P.L.

Chess Club which eventually merged with pre-existing Gosport Chess Club. Secretary of Gosport C.C. for last 5 years. Currently Junior Organiser for County and Hampshire League Conductor.

CHANGES ON COMMITTEE

Our Grading Officer and Hon. Archivist (T.E. Hollington), perhaps a little over-sensitive to the criticism that has come the way of all your Officers this season, has decided to resign his seat on the Committee and has asked to be relieved of his duties.

As it was considered of paramount importance that the Grading records should be continued, it has been decided that the Secretary will take over the Treasurer's duties, leaving A.F. Garner free to cope with the work previously done by T.E. Hollington.

VICE-PRESIDENTS Further subscriptions received from C.H. HENSHAW and P.A. BYTHEWAY.

CHESS IN ISLE OF WIGHT

Once upon a time the Vectis Chess Club was quite something. Since then, a long silence. I now hear that a Club has been formed which meets every Tuesday in the Ventnor Seely Library.

There is talk of forming an 'all-Island' Club or League.

Apparently the revival was brought about by a letter to the local paper by Mr. Edward Daws, of Wolverton Manor, St. Lawrence, I.O.W. and I suggest that anyone interested should get in touch with him.

INDIVIDUAL CHAMPIONSHIP

Results Round 4:

Wilkinson 1, Hollington 0; White 0, Moore 1; Moir 0, Edmonds 1; Marshall 1, Bacon 0; West 0, De Buriatte 1.

J.R. Wilkinson (4 pts) now plays Gillian Moore (3 pts). Close on their heels are Edmonds, Hollington and Marshall all with 2½ points.

GENERAL

Bulletin No. 3 described the circumstances whereby your Committee had come under heavy fire over a couple of unpopular decisions that it made early this season. I (and other individual members of the Committee) are still receiving the odd indignant letter, and it strikes me forcibly in retrospect that a lot of the bad feeling engendered stems from a misunderstanding of the subtle but far reaching changes in our Constitution that I asked for (and obtained) when I took over as Secretary.

Previously, this Association had been virtually run by one man (and our thanks are due to him for keeping us afloat over the years). I made it clear that I was not prepared to do this and demanded the creation of an Executive Committee.

The situation which now exists is that

- a) The Members in General Meeting elect certain individuals to the Committee.
- b) This Committee has been given full executive power by the Members in General Meeting.
- c) When the individual are asked to vote at a Committee Meeting, they are expected to do so in accordance with what they consider to be the best interest of the Association.
- d) Any decision thus reached becomes a decision made by the Committee (not by any individual or group of individuals on that Committee).
- e) The individual members have certain functions to perform as Officers of the Association. This they are expected to carry out to the best of their ability in accordance with the policy and regulations laid down by the Committee.

That is all there is to it really - the point being that it is a waste of breath and/or paper and ink telling me that I have spoiled the Individual Tournament or that Eaton has messed up the Hants League Competition. He and I have not done anything except cast our vote in good faith at a Committee Meeting.

As for the Hampshire League itself, I am personally pleased to be able to announce that the Committee has decided to offer the Clubs a

tournament for 1964/65 governed by exactly the same rules as are now in operation, as I consider these rules to be thoroughly workable and likely to serve us well for several years to come.

However, so as to avoid one of our alleged mistakes last year, (that Clubs had insufficient time to consider the rules and to decide whether or not they should enter), I am sending an entry form and copy of rules with this bulletin to the Secretary of every Affiliated Club.

Let no man dare say next Autumn that he knew nothing about it.
