2. INDIVIDUAL CHAMPIONSHIP

Scores after 5 rounds:-

A.M. Edmonds 2 out of 3      J.F. Watson 2 out of 4      Gillian Moore 2 out of 4  
 T.J. de Buriatte 2 out of 4      M.W.J. Thompson  $1\frac{1}{2}$  out of 3      L.E. Vine  $1\frac{1}{2}$  out of 4

Looks like an exciting finish.

3. HAMPSHIRE LEAGUE

Another sensational finish seems inevitable and it is certainly difficult to name the probably 1965 Champions at this stage.

QUESTIONNAIRE

Most of you will already have received a copy of my Questionnaire through your Club Secretary. In case you have been missed a spare copy is enclosed with this bulletin.

Of the 208 forms originally sent out, so far I have received 18 back.

Such is my opinion of the present lack of enthusiasm amongst the rank and file Chessplayers for County matters, I suppose that I can say that a 9% response is moderately encouraging.

Anyhow, there is still another fortnight to go before the deadline (31st. March) and my grateful thanks is due to those Members who have quite obviously given the matter considerable thought and have made some very constructive suggestions.

CORRESPONDENCE CHESS

Our 'Correspondence' Conductor, S.L. Russell, tells me that we have already obtained 2 wins in the Sinclair Trophy contest:-

- Bd. 23 A Bacon (Portsmouth)
- Bd. 27 A.R. Cooper (Southsea)

GRADING

As mentioned in Bulletin No. 2, the S.C.C.U. Grading Officer decided (quite rightly) that most of Hampshire Gradings were too low. He accordingly furnished our Grading Officer with a list of revised 'kicking-off' figures. These are published below and a number of Hampshire players will be agreeably surprised.

We are now well organised with 3 'sub-graders' doing the Donkey work -

- Myself, covering Portsmouth area and the Isle of Wight
- G.H. Bennett, covering the Bournemouth area
- H.L. Parsons, covering Southampton and the rest of Hampshire

This should give better coverage than ever before and the 1965 List should be both realistic and extensive.

### REGISTRATIONS

As announced previously, 28th February was the latest date for receiving Registrations for the current season and the final count is therefore as follows:

	<u>A</u>	<u>J</u>	<u>Total</u>		<u>A</u>	<u>J</u>	<u>Total</u>
Andover	6	3	9	Old Tauntonians	8	-	8
Bournemouth Knights	5	-	5	Portsmouth	14	3	17
Young Bournemouth	8	5	13	Portsmouth Comm. Ctr.	6	-	6
Brantoco	10	-	10	Southern Grammar	-	10	10
Christchurch	16	-	16	Southampton	9	4	13
Cosham	7	-	7	S'ton Girls Grammar	-	7	7
Eastleigh	8	-	8	St. John's College	1	3	4
Esso	4	-	4	St. Marys College	-	3	3
Fareham	12	-	12	Ventnor	12	1	13
Gosport	11	-	11	University	5	-	5
Gosport Grammar	1	7	8	Woolston	8	1	9
Itchen Grammar	2	8	10	Private Members	14	2	16
				Total	167	57	224

Compared with last year's total of 247, this is a little disappointing, as I had hoped to exceed 250 for the first time.

Again we have evidence of a falling off in interest in County matters. This season's very poor showing in County Matches is one of the results. Unless we have more enthusiasm from the ranks, I am afraid that Hampshire will gradually sink into oblivion.

Which is a pity, in view of the considerable impact that we have made in S.C.C.U. circles over the last few seasons. Perhaps the ordinary Club Member does not realise that Hampshire was quite a name in Chess.
