CIRCULATION:

A post-free copy is sent to each Vice-President, Secretaries of Clubs who register members, Private Subscribers who pay 35p per a season's issues and to certain Chess Officials.

VICE-PRESIDENTS:

D.K. Bevis, Mrs E. Bullows, E.W. Chandler, J.F.T. Charville, R.C. Clark, P.M. Collins, A.R. Cooper, H.E. Davies, T.J. de Buriatte, W.J. Eaton, J.E.C. Grant, T.E. Hollington, J.H. Jones, G.W. Kilmister, R.A.G. Marplea, P.L. Marshall, Dr H.R. Morton, H.L. Parsons, Cmdr A.J. Peters, R.G. Taylor, C.C. Wilton-Davies and W.J.E. Yeeles.

VAT TAX

At the November meeting of the B.C.F. Executive, that body were led to understand that Value Added Tax would apply to B.C.F. Registration fees and as 10% of both Board Fees and Registration Fees led to awkward numbers to handle, it was decided to recommend to the Council that Registration Fees be increased by 5p - well above 10% - to make the Registration Fee 30p whilst leaving the Board Fee at 5p to even matters up as much as possible.

Latest information now appears that both the B.C.F. and the Lawn Tennis Association have successfully appealed V.A.T. applying to subscriptions made to them and thus it is likely that the B.C.F. Executive will re-consider the position at its March meeting and probably decide to de-register as its annual income without the registration fees will fall far below the minimum £5,000 necessary for registration under the Act.

COUNTY CHAMPIONSHIP TABLE TO DATE

With a number of adjudication results still to come in, this table disregards such results - only one of which might alter the table. I do think however it is right to give all results so far this season, so that players may be helped to know opponents of the future. Further, as Berkshire have done exceedingly well to beat both Cambridgeshire and Middlesex, although losing to Surrey and Herts, I am including some SCCU Match results so that one may see how old acquaintances have fared this season.

Hampshire's next two matches, against Gloucestershire at the George Hotel, Market Square, Frome on Jan 20th and against Devonshire at the Shrubbery Hotel, Ilminster, will be extremely critical in deciding the winners of the W.E.C.U. section. All top Hampshire players should try to keep these dates clear for obvious reasons.

THE SENIOR JAMBOREE

This was played at Exeter on 7th October and again resulted in a win for Gloucestershire with a substantial lead of a clear 4 points and a total of 9. Devon were second with 5 points and Dorset 3rd with  $4\frac{1}{2}$  points. Hampshire found that this early date in October too early to raise a representative side.

Results were as follows:-

A pity three Cornwall players travelled over 200 miles for no game.

Best win to J.R. Read, Canborne and Redruth, otherwise an even match generally.

Wiltshire, despite being heavily outgunned in grading weight, give a fair account of themselves, the draw on Board 2 and the win on Board 7 being good Wilts efforts. Had Wiltshire players watched their clocks more closely and not lost four games on TIME, it might have been the upset of the season. Anyway, a good try.

Easily the best win 'on Paper' goes to Jack Crewe, who modestly said 'Lucky'; (Perhaps but it does not alter the fact of being the best win. Ed.) Sorry I have no advice where the match was played.

Looking at this result any way, Somerset's Championship side were outgraded by an average of 12 points and thus the score must be a really good effort - special mention must be made of Bath's R.W. Gregory and Wells C.S.'s A.J. Powell, the latter beating one of Hampshire's steadiest players in County Championship play. Further, the Somerset side actually drew the last 14 boards part of the match, although the total out-grading was not so marked.

Hampshire were minus their top boards, mainly away at the clashing British Lightning Championships, of Cubitt, Bennett, Orchard and Weeramantry, all graded 200 plus and thus were pleased to win with such a weak side out from their viewpoint.

Dorset sadly went astray in what should have been a drawish Championship.

A good win by J.A. Borkowski of Bristol University and by Bryanston Schoolboy C.G. Button. A good win by Somerset. Played at Yeovil.

SOUTHAMPTON NEWS

The Southampton Chess League is celebrating its Golden Jubilee this season and one of the special events of the season was a 45 board match between the Adult League and the Schools League, the latter being strengthened on the top boards by teacher-players and players from sixth form Colleges.

The Adult team included one player who played regularly in the League since the first match 50 years ago and is now President and Match Captain, H.L. Parsons. The result of the match was a narrow win for the Adults.

A further celebration match between the University and The Rest is arranged for the Spring term on 25 boards.

The last six players of the Adult Team were switched from the Schools because The League only produced 39 instead of the expected 50; four clubs failing in their representation at short notice.

CORRESPONDENCE CHESS

Hampshire are running 2 teams of 12 players in the County & District Correspondence Chess Championship. 12 Junior representatives are also being sned to the W.E.C.U. Junior Jamboree at Exeter on March 10th, 1972. When results become available, they will be included in the Bulletin, together with any Senior Correspondence results.

If there is not a postal code on the envelope carrying this, please let the Editor know it when writing, or when we meet, so that it can be recorded and used for the future. Thank you. Ed.

CHESS CALANDER

Considerable efforts are being made at the highest levels to draw up a Chess Calander in the hope that all the various meetings, matches and Congresses of importance can be held without too badly clashing.

Nothing is intended in a mandatory way but more in the sense that it will be safe to avoid clashes if items are held on the dates suggested.

Nothing is fixed yet, although it is suggested that Unions should arrange County Match play on the fourth Saturday in the months of October, November, January, February and March when it does not clash with Easter. This gives 5 dates and two others are recommended as the second Saturdays in December and February.

Such a fixed programme would leave clear all the current Congress dates and possibly allow others to be arranged with confidence that the date chosen will be suitable.

Additionally all the various Committees of the B.C.F., Union Executives and A.G.Ms suggested dates with county A.G.Ms just before that, but well after the B.C.F. Executive in March, so that counties could be circularised in late March; their A.G.Ms suggestions passed on to Union Council Meetings with finalisation of any matters at the B.C.F. Council, probably sometime like late June or July.

It is possible the Annual Congress of the B.C.F. with the British Championships, fixed to start on the first Monday in August, or possibly the first Saturday in August, will be the start of the Calander year.

There is no fixed scope yet, but thoughts might well be directed to County A.G.Ms for good ideas to pass on up the line.

WORLD RECORD (?)

The Islington Congress, master-minded by Stewart Rueben and sponsored by the Evening Standard attracted what is believed to be a world record of 1,250 players approximately.

The six round Premier event was won by R. Bellin with 6/6 with a number of players in second place on 5½ points. Apparently the £250 first prize for this weekend event failed to attract a number of the strongest players in the country - one is left wondering why - possibilities of a clean win too small for such big numbers in a 6 rounds event, or are we all developing a kind of 'Fischer' mind? with £250 being too small a figure. Time will show.

B.C.F. JUDGE.

It is good to hear that matters are well advanced for the title of National Judge of the British Chess Federation. Quite apart from having to know and be able to apply BCF and FIDE laws and regulations - which is essential - candidates must have one of the following qualifications:- 1, FIDE Judge; 2, Chief Controller of the BCF; 3, controlled at two BCF Congress; or controlled at other congresses for at least 4 years. In addition to this, candidates have to be proposed through specific channels, depending on the grounds for the application.

Your Editor thoroughly supports all matters aimed at making and keeping this title obtainable only through the highest standards.

BRITISH LIGHTNING CHAMPIONSHIPS

These Championships were held at the Sports Club of the Norwich Union Insurance Group at Norwich. The Team event was won by London Commercial with 19½ points. Cambridge University and King's Head scored 18½ each.

The Individual title was won by M.H. Horton with 7½ out of 9. W.R. Hartston, D.I. Patrick and A.J. Whiteley tied for 2nd place with 7 and J.I.P. Simpole and O.M. Hindle shared 5th place with 6½.

BATH MONARCHY CELEBRATIONS

Bath is holding celebrations from May to September in 1973 to celebrate the 1,000 anniversary of the crowning of the first King-of-All-England in the year 973 in that City. As part of these celebrations, the Bath authorities have agreed to sponsor the European Chess Teams Championships final from 6th to 13th July.

Teams reaching the final are U.S.S.R., Yugoslavia, Hungary, Poland, Rumania, West Germany, England and the winner of the Spanish/Swiss match. England qualified by beating Holland last Summer. The Director will probably be a Dutchman, but this is not yet definite.
